### Observation of Academic Audit team

Dept. : Civil Engineering

A.Y: 2023-24

After reviewing the information submitted by the department for the academic Session 2023-24 and interacting with faculties of department the following observations are made:

- The teaching according to the academic schedule is **good**.
- The arrangement of tutorial class and remedial classes is **good**.
- Research guidance **poor**.
- The number of Research Projects of the department is **lacking**.
- Participation in seminar / symposia by the faculty members is **average**.
- Organization of seminar / symposia is **good**.
- Internships by students are **good**.
- MOU's and Linkages are **good**.
- No of publication and quality of publication is **lacking**.
- Success rate of the student is **average**.
- Employment of student is **average**.

The overall academic performance of the department is **good**. MOU's and their Linkage should be increased. The number of internships should also be encouraged for students. It may be recommended that the department should give emphasis on funding for research project. The department may apply for SAP project.
